Re: Alfonso Santiago, SBI # 00141726

Dear Warden Williams:

Enclosed is a Motion for Modification of Sentence filed by Alfonso Santiago. As reflected by the enclosed Order, Mr. Santiago's motion has been denied.

The motion also states:

Ground one: Medical Illness

Supporting facts: Defendant is 54 years old, diagnosed with a chronic illness of Hepatitis B + C type one. The Department of Correction refuses to give care + treatment because of high cost to service his medical needs. Defendant's illness has caused him symptoms of tiredness, stomach pains, nausea and difficult urinating. Defendant has not been service any medication or seen by a doctor.

I have enclosed a copy of the motion for your information and whatever action you feel is appropriate.

Sincerely,

Mary M. Johnston
